A MESSAGE FROM LEADERSHIP

As we reflect on the past year, we are filled with gratitude for the resilience and dedication of our team, partners, and the communities we serve. Together, we have navigated challenges and celebrated successes, all while remaining committed to our mission of fostering healing, growth, and recovery.

This year, we have made significant strides in expanding our programs and reaching more individuals in need. Our team, driven by lived experience and a shared passion for service, has implemented evidence-based practices that have proven effective in supporting our community. Each story of recovery and transformation reaffirms our belief in the power of connection and support.

Looking ahead, we are excited about the opportunities to further our impact. We remain committed to adapting our strategies to meet the evolving needs of those we serve, ensuring that we provide the highest level of care and support.

Thank you for your unwavering support and for being part of this journey. Together, we are making a difference, and we look forward to continuing this important work in the year ahead.

With gratitude,

Michael and Sarah Hornbuckle
Founders and Co-Executive Directors

FINANCIAL OVERVIEW

Percentage of finances dedicated to programs

In 2024, the Hornbuckle Foundation served nearly 4,000 individuals, connecting them to community through recovery coaching, sober living scholarships, outreach & community center programs. Lives were saved, families were reunited, and hope was restored for those once on the brink of despair.

VISION AND MISSION

Celebrating ten years as a 501(c)(3) and five years of impactful recovery programs, the Hornbuckle Foundation is committed to enhancing our financial sustainability. We aim to reduce our reliance on government grants by fostering deeper support from our community and private organizations. Together, we can ensure our vital programs continue to thrive and make a lasting difference.

IMPACT STORIES

Peer Recovery Coaching

"T", a Marine Corps veteran with PTSD and a former coaching client, reached out when his cancer returned and he felt suicidal. We talked for hours, and he said it was the first time he felt truly seen and heard—that our conversation saved his life and gave him strength to show his kids how to face hardship with courage.

—Josh Beaston, Peer Coach & Development Director

Connections of Hope

For months, Nathan avoided me—then one day he surprised me with a hug and said he was ready for change. We got him into sober living, and within weeks he found a job. Now back with his family in Illinois, he's working, creating, and grateful to the Hornbuckle team for helping him rebuild his life.

—Matt Melson, Outreach Team

Community Center

My son was struggling with his mental health for a few years. As a parent, I felt as though I had exhausted all of my resources (therapy, inpatient, outpatient) and nothing was working. Playing music with the community at Hornbuckle helped shift his perspective and gave him an outlet to process his thoughts and emotions. He is now thriving. Peer support and community not only helped him, but it helped our entire family & we are so extremely grateful!

—Mandy, Donte's Mom

Sober Living Scholarship

I began coaching Ashleigh in April 2025 as she moved from Landmark Recovery into sober living with a Hornbuckle Foundation scholarship. She faced deep loss, serious health issues, and multiple overdoses—but chose life and recovery.

Since then, Ashleigh has finished the program, found stable work, moved into her own place, and continues to lift up those around her. Her journey shows the power of resilience, community, and hope.

—Tara Doxtater, Peer Coach

FUTURE GOALS

Sober Living Scholarship Program

Since August 2019, HF has awarded over 600 sober living scholarships for individuals exiting residential treatment. Our goal is to consistently award 180 scholarships each year. As our data has shown, sober living is a life saving link to long-term recovery.

Peer Coaching & Clinical Programs

In 2025, Hornbuckle Foundation coaches will receive an Advanced Coaching certification. This allows us to provide increased, specifically tailored, quality service to those seeking help. We will also provide Ketamine assisted therapy to help clients struggling with the most severe mental health challenges and PTSD.

Connections of Hope

With the addition of our new outreach program director, Matt Melson, our outreach team is focused on increasing the effectiveness of their resource navigation, and has begun offering group skills sessions at a number of community locations to help the area's unhoused population brush up on the life skills that will allow them to resolve their homelessness.

Community Center

The number one goal for our community center programs is to acquire the funds for an onsite, youth and families therapist. Insurance is a major barrier to finding a quality therapist, and we believe that hiring a salaried therapist is the most efficient way to serve our community.

ACKNOWLEDGEMENTS

Julie Knight, it is with deepest gratitude for your belief in our mission and support of our efforts that we recognize you. We will continue to do the work you make possible in Jessica's honor.

Congratulations to our Clinical Director, Lexi Steuart, on five years of selfless service to others! Your commitment to the Hornbuckle Foundation's mission and those we serve is humbling and inspiring.

LEXI UNDERHILL-STEUART
CLINICAL DIRECTOR

Special thanks to Rob Scoggins for all of the time and effort put into making youth night successful each week. Your consistent presence changes lives.

To the 30+ area detoxes, treatment centers, and sober living homes we partnered with this year—thank you. Your collaboration helped us meet people where they are, offering second chances and a hand-up when it mattered most.
