

I am a Colorado native who was raised in the Washington Park neighborhood. I have been in Recovery for 20 years and working in the Recovery Field for 10 years. I spent the five years working in Detox with Arapahoe House and then with the Community Reach Center. I have worked with people coming from the Department Of Corrections with a Re-entry Program. As a Recovery Coach I am fortunate enough to be able to share my experience with the people I work with and offer them hope for a better future through a mutually beneficial relationship in recovery. I am currently living in Windsor Co with my wife of 5 years and an 11 year daughter. Everyday is A New Chance For A Better Life.
