

Donna Norton is a National Certified Peer Support Specialist, Certified Moral Reconciliation Facilitator, NAADAC member. Donna is a woman in long term recovery, she brings extensive lived experience and understanding to helping those in active addiction, navigating the judicial system and recovery. Donna believes there are many pathways to recovery and wellness, and is proud to be a part of the Hornbuckle Foundation Team. Donna often states and believes " The opposite of addiction is connection", and works to form that connection with clients, feeling that when one hand reaches out for help, Donna's purpose in life is to be the hand that reaches back. " I believe with my life experience, I have gained expertise in empowering others by reducing stigmas and providing support through advocacy; HOPE is my greatest message. Donna's true love is her Harley, English bulldog 'Stella,' and has been riding motorcycles since the

age of 10. she also is a proud advocate of blasting Johnny Cash and wearing converse.
